

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE:

**AIR CRASH AT SAN FRANCISCO, CALIFORNIA
ON JULY 6, 2013**

MDL No. 2497

This Order Relates to: All Cases

**ORDER ON SCHEDULE FOR REMAINING CASES;
SETTING CASE MANAGEMENT CONFERENCE**

Re: MDL Dkt. Nos. 575, 639

On April 14, 2016, the Court directed the parties to meet and confer with respect to a structure and timetable to resolve the remaining cases expeditiously. (Dkt. No. 575.) On May 11, 2016, the parties filed a joint submission regarding a schedule for the resolution of all cases.¹ (Dkt. No. 639.) Good cause appearing, the Court **APPROVES** the parties' proposed timeline with respect to the Group 1 Cases, as defined in the joint submission:

Cut-off for damages fact discovery:	December 30, 2016
Exchange of damages expert reports:	February 28, 2017
Exchange of rebuttal damages expert reports:	March 31, 2017
Cut-off for damages expert discovery:	May 5, 2017

The Court also **SETS** a case management conference to be held on **Monday, September 12, 2016 at 1:00 p.m.** The Court anticipates setting trial and pretrial conference dates at the case management conference. The updated joint case management conference statement should therefore propose deadlines for filing trial-related documents that run backwards from a pretrial conference date. In so doing, the parties shall cross-reference the undersigned's Standing Order in Civil Cases as a guide. The updated joint case management conference statement shall also propose discovery deadlines with respect to the Group 2 Cases, as defined in the joint submission.

IT IS SO ORDERED.

Dated: May 20, 2016

YVONNE GONZALEZ ROGERS
UNITED STATES DISTRICT COURT JUDGE

¹ The Court thus **VACATES** the compliance hearing currently scheduled for Friday, May 27, 2016.
